

COLLEGE

Solar Water Purifier

Final-year engineering project

Presented by Meera Iyer · October 2026

AGENDA

Today

01 Objective

02 Design

03 Testing

04 Results

“

Clean water should not need a power cable.

HOW IT WORKS

In four steps

1

Objective

Short note on what happens here.

2

Design

Short note on what happens here.

3

Testing

Short note on what happens here.

4

Results

Short note on what happens here.
