

UNDER CONSTRUCTION

The background is a solid orange color representing a sunset sky. A large, pale yellow sun is partially obscured by two stylized apartment buildings. The building on the left is taller and has a black facade with a grid of light orange squares representing windows. The building on the right is shorter and has a dark grey facade with a grid of yellow and olive green squares. The foreground is a solid black silhouette of rolling hills.

Phase Two

Booking opens for phase two — 120 homes
around a central park.
