Kavya Reddy

TEACHER

Primary-school teacher who makes maths feel like play.

Nine years in the classroom with Grades 2–5; I plan activity-based lessons, track every child's progress and keep parents in the loop.

EXPERIENCE

Class Teacher, Grade 4

2019 — now

Greenwood Public School, Hyderabad

- Teach maths and EVS to 38 students; class average in maths rose from 68% to 81%.
- Introduced a “maths lab” corner with low-cost manipulatives, now used school-wide.
- Lead monthly parent meetings and the Grade 4 annual-day programme.

Maths Teacher, Grades 2–5

2016 — 2019

Bright Steps Learning Centre

- Taught small groups after school; created 120 worksheets and games.
- Ran remedial sessions that moved 40 students up a reading or maths level.
- Trained four new tutors on activity-based methods.

Volunteer Tutor

2014 — 2016

Community Library, Secunderabad

- Ran weekend reading and maths circles for 25 children.
- Organised a summer story-telling camp.
