SUMMARY

ICU staff nurse with calm hands and a long list of grateful families. Nine years in critical care, district hospitals and community health; skilled in ventilator care, patient education and clear handovers.

EXPERIENCE

Staff Nurse, ICU 2020 — now

Sunrise Multi-speciality Hospital, Lucknow

- Care for 2–3 ventilated patients per shift in a 24-bed medical ICU.
- Lead the unit's infection-control audits; CLABSI rate fell by 40% in two years.
- Train new nurses on ventilator alarms, central lines and charting.

Staff Nurse, Medical Ward 2017 — 2020

District Hospital, Barabanki

- Managed a 30-bed ward with two other nurses on rotating shifts.
- Ran patient-education sessions on diabetes and hypertension.
- Kept drug and consumable stock records for the ward.

Nurse Trainee 2016 — 2017

Community Health Centre, Unnao

- Supported immunisation drives, antenatal check-ups and home visits.
- Recorded data for the national health programmes.
