Why we exist

The challenge

Community photo

Women in drought-hit villages still walk hours every day to fetch water.

Families in the communities we serve face this every day. Our programmes work with local volunteers and partners to create lasting change.

Our programmes

01

Rainwater harvesting

Check dams and recharge pits.

02

Water ATMs

Purified water at low cost.

03

Water committees

Village-led maintenance.

Our approach

1

Listen

Community meetings and surveys

2

Partner

Local volunteers and schools

3

Act

Programmes with clear goals

4

Measure

Track outcomes and report

Our impact so far

64

villages with safe water

1.2 L

people benefitting

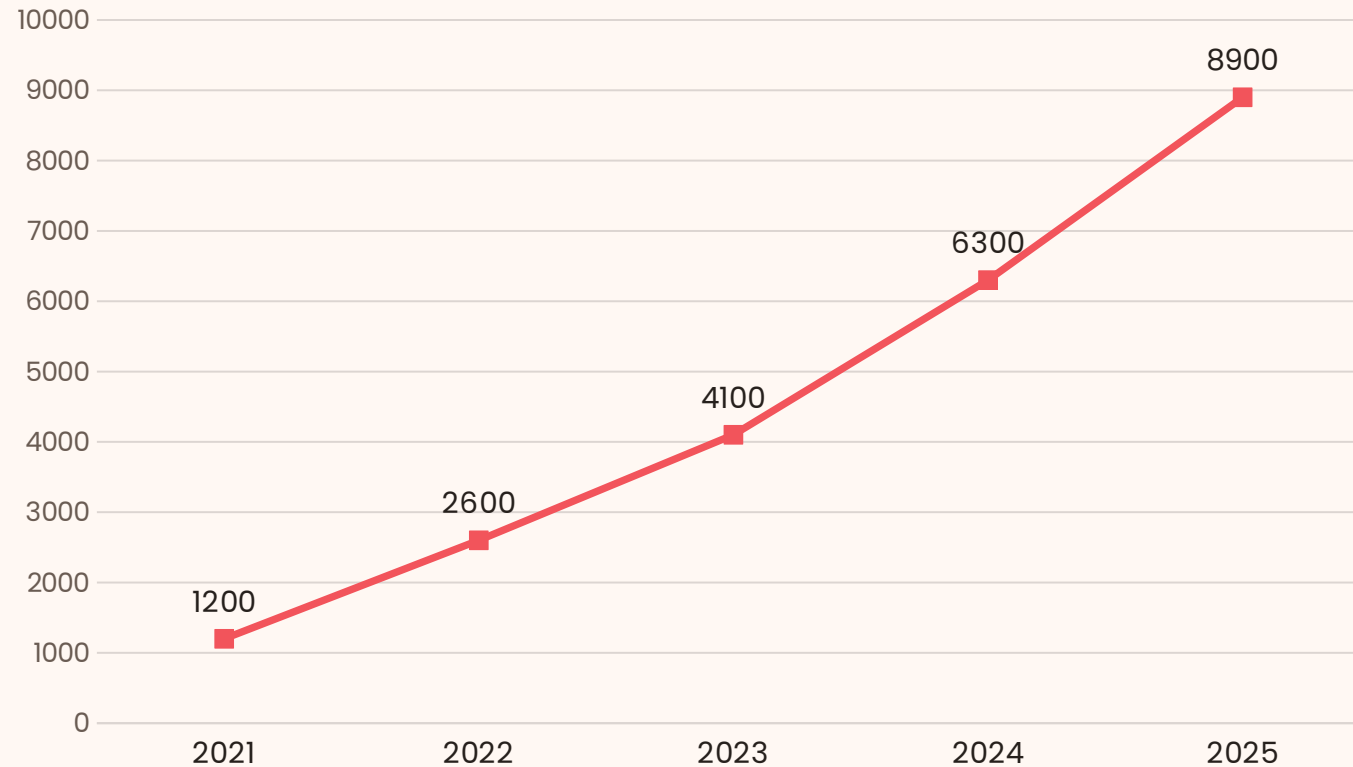

3 hrs

saved per family daily

Programme figures shown are sample data.

People reached each year

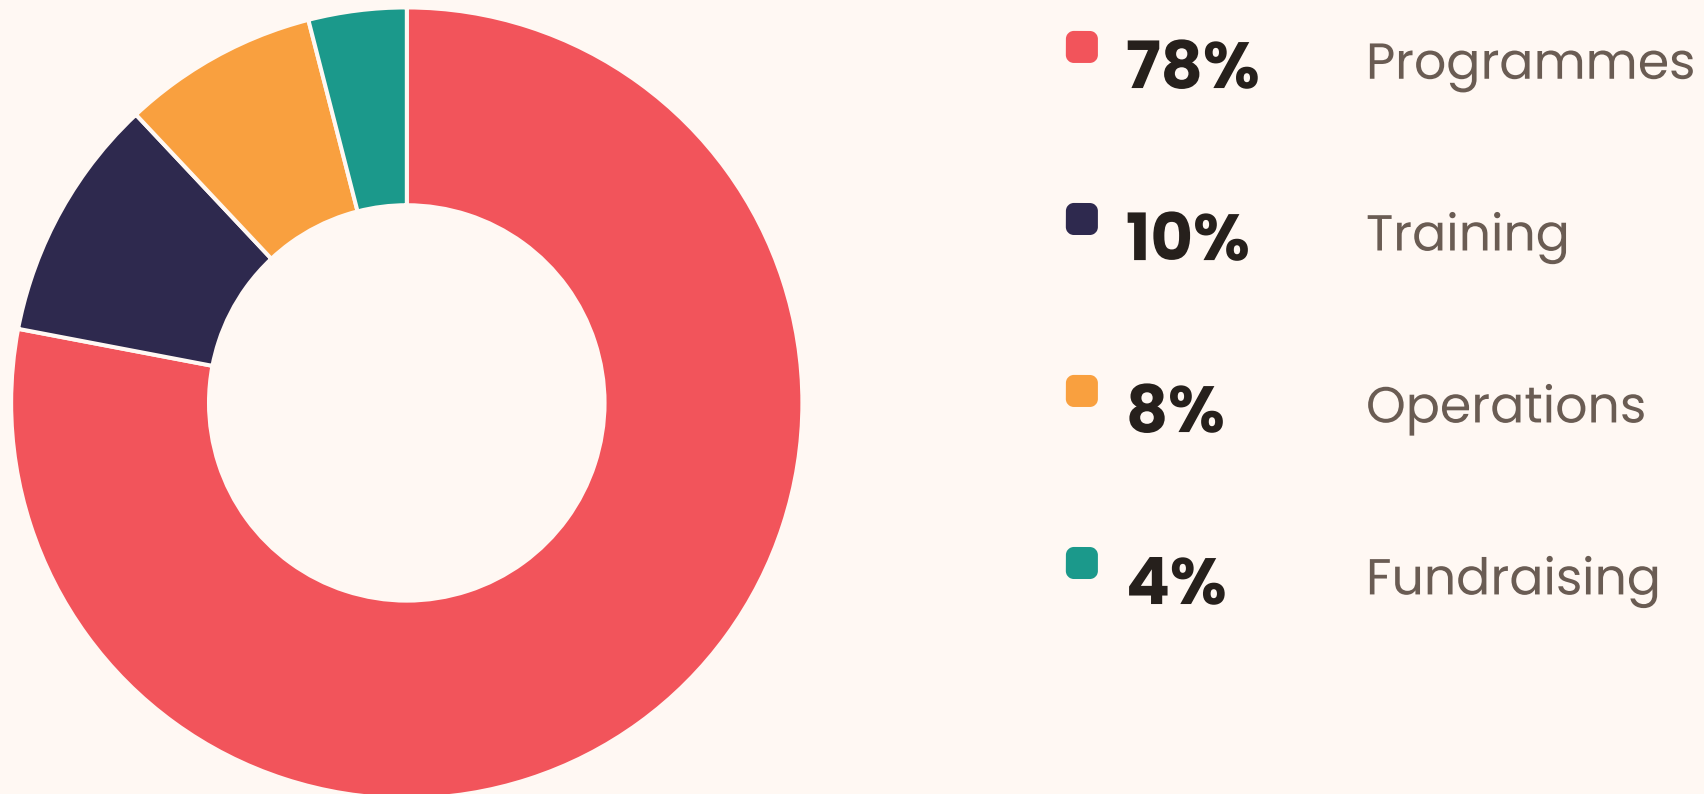

Sample data for illustration — replace with your own figures.

Reach has grown steadily as we added volunteers and partner schools.

Where your money goes

Sample data for illustration.

How you can help

01

Donate

₹1,000 supports one child for a month.

02

Volunteer

Give a few hours every weekend.

03

Partner

Bring your company's CSR to the field.

Together, we can do more

Join us — every contribution counts.
