KEY IDEA

**Our cities are losing
green cover and lakes at
an alarming rate.**

Why we exist

The challenge

Community photo

Our cities are losing green cover and lakes at an alarming rate.

Families in the communities we serve face this every day. Our programmes work with local volunteers and partners to create lasting change.

Our programmes

01

Urban forests

Dense native plantations.

02

Lake revival

Clean-ups and wetland restoration.

03

Green schools

Nature clubs and nurseries.

Our approach

1 Listen

Community meetings and surveys

2 Partner

Local volunteers and schools

3 Act

Programmes with clear goals

4 Measure

Track outcomes and report

Our impact so far

55,000

trees planted

7

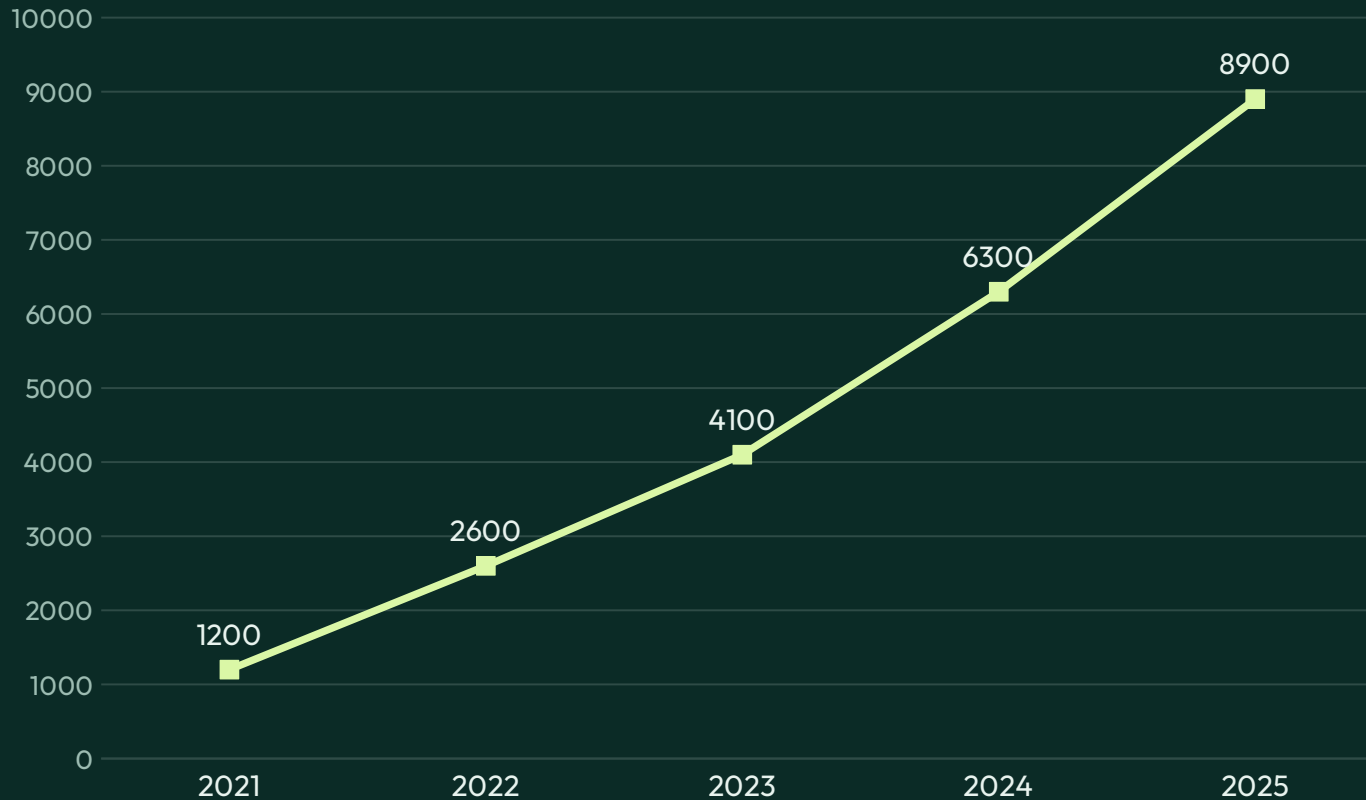

lakes revived

90

green schools

Programme figures shown are sample data.

People reached each year

Sample data for illustration — replace with your own figures.

Reach has grown steadily as we added volunteers and partner schools.

How you can help

01

Donate

₹1,000 supports one child for a month.

02

Volunteer

Give a few hours every weekend.

03

Partner

Bring your company's CSR to the field.

Together, we can do more

Join us — every contribution counts.
