- 02 Our work
- 03 Impact
- 04 Get involved

Our cities are losing green cover and lakes
at an alarming rate.

Why we exist

The challenge

Community photo

Our cities are losing green cover and lakes at an alarming rate.

Families in the communities we serve face this every day. Our programmes work with local volunteers and partners to create lasting change.

Our programmes

Urban forests

Dense native plantations.

Lake revival

Clean-ups and wetland restoration.

Green schools

Nature clubs and nurseries.

Our approach

01

Listen

Community meetings and
surveys

02

Partner

Local volunteers and
schools

03

Act

Programmes with clear
goals

04

Measure

Track outcomes and
report

Our impact so far

55,000

trees planted

7

lakes revived

90

green schools

Programme figures shown are sample data.

Where your money goes

Sample data for illustration.

How you can help

Donate

₹1,000 supports one child for a month.

Volunteer

Give a few hours every weekend.

Partner

Bring your company's CSR to the field.

Together, we can do more

Join us — every contribution counts.
