ABOUT

04 | Hello, I'm Sana

Portrait photo

I make complex products feel simple.

I design web and mobile products for fintech and education startups, from research and flows to polished interfaces and design systems.

05 | In numbers

5

years of experience

60+

projects delivered

25

happy clients

Design system

Components for five products

08 | Savings app

Project image

Onboarding that doubled sign-ups

Challenge, approach and outcome — summarise the brief, show the key decisions and end with the result. Replace the image with your strongest visual.

09 | Learning platform

Course player and progress

Show the before and after, the constraints you worked within and what the client said about the result.

PROCESS

11

How I work

Discover

Brief, research and goals

Define

Direction and moodboards

Design

Concepts and refinement

Deliver

Final files and handover

12 | Services

Product design

Flows, wireframes and UI.

UX research

Interviews and usability tests.

Design systems

Scalable, documented components.

Thoughtful, quick and a pleasure to work with. The final result exceeded our brief.

— Client name, Company

04

CONTACT

15 | Tools and skills

- Figma and prototyping
- User research and testing
- Accessibility (WCAG)
- HTML/CSS basics for handoff
