Contact

Hello, I'm Rahul

I design products that feel obvious the first time you use them.

I lead research, flows and interface design for fintech and edtech products, working closely with engineers from idea to launch.

Portrait photo

In numbers

5

years of experience

60+

projects delivered

25

happy clients

Selected work

Image 1

Payments app redesign

Checkout flow and design system

Image 2

Learning platform

Student dashboard and mobile app

Image 3

Banking onboarding

KYC journey in four steps

Payments app redesign

Project image

Checkout flow and design system

Challenge, approach and outcome — summarise the brief, show the key decisions and end with the result. Replace the image with your strongest visual.

Learning platform

Student dashboard and mobile app

Show the before and after, the constraints you worked within and what the client said about the result.

Project image

How I work

01

Discover

Brief, research and goals

02

Define

Direction and
moodboards

03

Design

Concepts and refinement

04

Deliver

Final files and handover

Services

UX research

Interviews, testing and insights.

Product design

Flows, wireframes and UI.

Design systems

Components and documentation.

“

Thoughtful, quick and a pleasure to
work with. The final result exceeded
our brief.

CLIENT NAME, COMPANY
