**ABOUT**

01

# 04

## Hello, I'm Rahul

Portrait photo

**I design products that feel obvious the first time you use them.**

I lead research, flows and interface design for fintech and edtech products, working closely with engineers from idea to launch.

**05**

## In numbers

**5**

years of experience

**60+**

projects delivered

**25**

happy clients

---

**SELECTED WORK**

02

# 07

## Selected work

Image 1

### Payments app redesign

Checkout flow and design system

Image 2

### Learning platform

Student dashboard and mobile app

Image 3

### Banking onboarding

KYC journey in four steps

# 08

## Payments app redesign

Project image

### Checkout flow and design system

Challenge, approach and outcome — summarise the brief, show the key decisions and end with the result. Replace the image with your strongest visual.

# 09

## Learning platform

### Student dashboard and mobile app

Show the before and after, the constraints you worked within and what the client said about the result.
