Principal's Message

Dear parents and students, it gives me great pleasure to present the annual report for the session 2025–26. Our students excelled in board examinations, sports and cultural events, and many took their first steps in research and community service.

This year we introduced a new reading programme, upgraded our science laboratories and expanded our counselling services.

I thank our teachers, parents and the management committee for their constant support.

Mrs. Neha Saxena

Principal
