01 About Us

Asha Rural Education Foundation works with government schools in rural Rajasthan to help children read, write and do maths with confidence. We train teachers, run after-school learning centres and support girls to stay in school beyond class 8.

Vision	Every child in rural India learns with joy and completes school.
Mission	To improve foundational learning and school completion through teacher support, community learning centres and girls’ scholarships.
Founded	2014
Where we work	120 villages in 4 districts of Rajasthan

02 Message from the Chairperson

Dear friends, this was a year of steady growth. With your support we reached more children than ever before, and — more importantly — more of them are reading fluently by the end of class 3.

Our community learning centres stayed open through the summer, and our girls' scholarship programme helped many first-generation learners move into secondary school. None of this would be possible without our teachers, volunteers and partners.

As we enter our second decade, we will focus on quality: deeper teacher training, better learning materials and careful measurement of what works.

Smt. Kavita Rathore

Chairperson, Board of Trustees

Highlights of the Year

Quarter	Milestone
Q1	Summer reading camps in 60 villages
Q2	New maths kit introduced in all centres
Q3	District-level teacher conference held in Ajmer
Q4	Annual learning assessment completed for 9,000 children

04 Foundational Literacy and Numeracy

Our core programme helps children in classes 1 to 5 build reading and maths skills through daily activity-based sessions run by trained community teachers.

What we did

- Daily 90-minute sessions in 96 learning centres
- Graded readers in Hindi and local dialects
- Monthly learning checks with simple tools
- Parent meetings every quarter

Results (sample data)

Indicator	Target	Achieved	Status
Children enrolled	15,000	15,800	Achieved
Children reading a short paragraph	60%	64%	Achieved
Centres with monthly checks	90	93	Achieved

Story of change

Seema, a class 3 student from Kekri, could not recognise letters in June. By February she was reading story books aloud to her younger brother.

05 Teacher Development

We work alongside government school teachers through workshops, classroom coaching and peer learning circles.

What we did

- Four-day induction workshops each term
- Monthly classroom coaching visits
- Peer learning circles at cluster level
- Teacher resource library in each block

Results (sample data)

Indicator	Target	Achieved	Status
Teachers trained	600	640	Achieved
Coaching visits	4,000	3,720	Partly achieved
Teachers using new lesson plans	70%	74%	Achieved

Story of change

After attending peer circles, a teacher in Kishangarh began small-group reading — and her class average score rose by a third.

06 Girls’ Education Scholarships

Our scholarships cover fees, books, uniforms and bicycles for girls continuing to secondary school, along with mentoring.

What we did

- Scholarships for 1,150 girls
- Bicycles for girls living over 3 km away
- Monthly mentoring circles
- Career awareness sessions in class 9 and 10

Results (sample data)

Indicator	Target	Achieved	Status
Girls supported	1,000	1,150	Achieved
Girls continuing to next class	90%	94%	Achieved
Mentoring sessions held	400	436	Achieved

Story of change

Pooja, the first girl in her village to finish class 10, now mentors younger girls and wants to become a nurse.

07 People and Governance

The Foundation is governed by a Board of Trustees that meets every quarter. An independent audit committee reviews finances, and all major policies are approved by the Board.
