3. Market Analysis

Industry Overview

Resale fashion is growing among young urban shoppers, driven by price, variety and sustainability.

Target Customers

Segment	Description	Priority
College students	Love variety and low prices	High
Young professionals	Want branded items for less	High
Sellers	Want to clear wardrobes	High

Competition

Competitor type	Strength	Our advantage
Fast-fashion apps	Huge range	Lower price, unique pieces, sustainable
Informal resale groups	Free listing	Quality check, cleaning, returns
Export surplus stores	Cheap	Curation and online convenience

SWOT Analysis

Strengths • Strong curation • Community of sellers	Weaknesses • Inventory variability • Processing costs
Opportunities • College pop-ups • Sustainability trend	Threats • Stigma around used clothes • Copy competitors

4. Marketing and Sales Strategy

We grow through Instagram drops, college pop-ups and seller referrals, with clear quality grades building trust.

- Instagram and reels
- College pop-up stores
- Seller referral programme
- Styling boxes
