01 About Us

SwiftRoute Logistics provides warehousing, fulfilment and transport services to e-commerce, retail and manufacturing companies across North India.

We combine well-run facilities, a reliable carrier network and clear tracking so that our clients can promise delivery dates with confidence.

02 Vision, Mission and Values

Our vision

To be North India's most dependable logistics partner.

Our mission

To move goods safely and on time through disciplined operations and caring people.

Our Values

Reliability

We keep our promises.

Safety

No shipment is worth an injury.

Transparency

Clients see what we see.

Respect

We value every worker on the floor.

03 What We Do

We handle the journey of goods from factory to customer: storage, picking, packing, transport and returns.

Warehousing

Ambient and temperature-controlled storage with inventory management.

- Bonded and non-bonded storage
- Cycle counting

- Inventory reports

E-commerce Fulfilment

Pick, pack and dispatch with same-day processing.

- Multi-channel order integration
- Custom packaging
- Returns processing

Transport

Full-truck and part-truck line-haul and last-mile delivery.

- Fleet tracking
- Proof of delivery
- Route planning

Value-added Services

Kitting, labelling and quality checks.

- Kitting and bundling
- Labelling
- Quality inspection

04 Industries We Serve

Industry	How we help
E-commerce	Fulfilment and returns
FMCG	Distribution to retailers
Electronics	Secure storage and handling
Manufacturing	Inbound raw material logistics

05 How We Work

Every engagement follows a clear, repeatable process so that clients always know what happens next.

Step	Stage	What happens
1	Assess	Study volumes, SKUs and service levels
2	Design	Plan layout, staffing and transport
3	Onboard	Integrate systems and train teams
4	Operate	Run daily operations with KPIs
5	Improve	Monthly reviews and improvements

06 Why Choose Us

- Real-time tracking and dashboards
- Trained, uniformed workforce
- Safety-first culture
- Flexible contracts for seasonal peaks

07 Leadership Team

Name	Designation	Experience
Rajiv Malhotra	Managing Director	20 years in supply chain
Sunita Bedi	Head of Operations	Warehouse and fulfilment
Imran Qureshi	Head of Transport	Fleet and carrier network
Nandini Bose	Head of People	Workforce and training

Names are placeholders. Add photographs in a two-column table if required.

08 Selected Projects

Festive season fulfilment

Client: An online fashion marketplace

Scaled operations for peak volumes with temporary staff and extended shifts.

Cold-chain distribution

Client: A dairy brand

Temperature-controlled storage and delivery to retail outlets.

Spare-parts warehouse

Client: An appliance manufacturer

Organised thousands of SKUs with bin locations and barcode scanning.

09 Infrastructure and Capabilities

- Warehouse management system with barcode scanning
- GPS-tracked fleet
- CCTV and fire safety systems

10 Certifications and Memberships

Certification / membership	Status
ISO 9001	Add certificate number
ISO 45001 (occupational health and safety)	Add certificate number
Logistics association membership	Add certificate number

11 Corporate Social Responsibility

We run literacy and financial-awareness sessions for our frontline staff and their families.
