Rainwater Harvesting Work Begins

Following approval at the AGM, work on the rooftop rainwater harvesting system has started in Towers A and B. The contractor expects to complete all six towers by September.

Residents are requested to keep terrace access clear during working hours and to follow safety signs.

Expected completion

Monsoon Safety Tips

Keep balconies free of loose objects, check that drains are clear and report any seepage to the maintenance office.

A clean, green society starts with every household.

— Managing Committee

Children's Summer Camp Recap

Thank you to the volunteers who ran art, chess and storytelling sessions for 45 children in May.

New Waste Segregation Bins

Colour-coded bins for wet, dry and hazardous waste have been placed near each tower lift lobby.

Clubhouse Timings

The clubhouse is now open from 6 AM to 10 PM. Bookings for events can be made with the office.

Welcome New Residents

We welcome the families who moved into Towers C and E this quarter.

Upcoming

Date	Event	Where
15 Aug	Independence Day flag hoisting	Central lawn
20 Aug	Tree plantation drive	Society boundary
7 Sep	Ganesh festival planning meeting	Clubhouse

Notices

Maintenance bills for July–September are due by 10 July. • Water tank cleaning on 18 July; supply will be off from 10 AM to 2 PM.
