We Opened Our New Pune Office

After months of planning, our new office in Baner opened its doors on 6 April. The space has more meeting rooms, a quiet zone for focused work and a larger kitchen — designed with feedback from the team survey last year.

Thank you to the facilities team and everyone who helped with the move over the weekend.

Client Wins

We welcomed three new clients across retail and healthcare. The delivery teams have started discovery workshops this week.

The best dashboards answer a question before anyone asks it.

Learning Week

Over 40 colleagues joined sessions on data storytelling, cloud cost optimisation and presentation skills. Recordings are available on the intranet.

Wellness Corner

Our new wellness partner offers free counselling sessions. Bookings are confidential and can be made through the HR portal.

Spotlight: Priya Nair

Client Success Lead

Priya led the onboarding of two new clients this month and introduced a new kick-off checklist that the whole team now uses.
