

Kavya Menon

Computer Science Engineering Student

+91 98765 01234 ~ kavya.menon@email.com ~ Bengaluru, India ~ github.com/kavyamenon

\$ whoami

Final-year CSE student who loves building useful web apps. Comfortable across the stack, curious about machine learning and looking for a software engineering role where I can learn fast and ship.

\$ education

B.Tech, Computer Science & Engineering 2022 — 2026

Westbridge Institute of Technology ~ CGPA 8.9 / 10

Class XII (CBSE) 2022

Aster Grove School, Kochi ~ 94.2%

Class X (CBSE) 2020

Aster Grove School, Kochi ~ 96.0%

\$ projects

CampusEats – canteen pre-order app 2025

React, Node.js, MongoDB

- > Built a pre-order app used by 1,200 students; cut canteen queues at lunch by half.
- > Added UPI-style payment mock-ups and live order tracking.

Plant disease detector 2024

Python, TensorFlow

- > Trained a CNN on 8,000 leaf images reaching 94% test accuracy.
- > Deployed as a simple web demo for a farmers' workshop.

\$ internship

Software Engineering Intern May — Jul 2025

Orbitra Software, Hyderabad

- > Built REST endpoints and unit tests for an internal reporting tool.
- > Reduced a slow report query from 9 s to 1.5 s.

\$ stack

Java Python JavaScript React Node.js SQL

\$ tools

Git Docker Linux Figma

\$ achievements

- > Winner, inter-college hackathon (2024)
- > Top 5%, national coding contest (2025)
