

Ishaan Kapoor

ARCHITECT

+91 98250 88990 · ishaan.kapoor@email.com · Ahmedabad, India · linkedin.com/in/ishaankapoor · ishaankapoor.studio

Profile

Architect with 6 years designing climate-responsive homes, schools and small public spaces. I work from sketch to site, with a focus on local materials, daylight and spaces people enjoy living in.

Experience

2021 — Present •

Ahmedabad

Project Architect

Quarry Lane Architects

- Led design and delivery of a 40,000 sq ft K–12 school campus.
- Developed a brick-jaali façade system that lowered indoor heat gain.
- Coordinate consultants, contractors and client reviews for four live projects.

2018 — 2021 •

Jaipur

Architect

Marigold Design Co.

- Designed 12 private residences and two boutique cafés.
- Produced working drawings, BOQs and 3D visualisations.

2017 •

Ahmedabad

Intern Architect

Quarry Lane Architects

- Built physical models and site documentation for a heritage-reuse project.

2017 — 2018 •

Ahmedabad

Teaching Fellow

Konkan School of Design

- Taught first-year design studio and model-making.

Projects

2023 •

Courtyard School, Gandhinagar

Lead architect

- Net-zero-ready school for 1,200 students built with local brick.

2020 •

Stepwell Café

Interior + façade

- Adaptive reuse of a 1950s warehouse into a café and reading room.
