EDUCATION

Deccan Valley University

M.Sc. in Biotechnology

CGPA: 9.0/10 (equivalent GPA 3.9/4.0); University Gold Medal candidate

Dissertation: Engineering yeast for low-cost enzyme production

Pune, India

May 2026

St. Aldwin's College

B.Sc. in Microbiology

First Class with Distinction (88.6%)

Pune, India

May 2024

EXPERIENCE

Riverstone Research Labs

Project Trainee

- Optimised fermentation conditions that raised enzyme yield by 2.4x.
- Maintain cultures and lab records for a 12-person group.

Pune, India

Jan 2026 – Present

National Biology Summer Fellowship

Summer Research Fellow

- Cloned and expressed 4 recombinant proteins; presented findings at the fellowship symposium.

Bengaluru, India

May 2025 – Jul 2025

LEADERSHIP & ACTIVITIES

Deccan Valley Bio Society

General Secretary

- Organised a national student symposium with 350 participants.

Pune, India

Jul 2024 – May 2025

HONORS & AWARDS

- Government Merit Scholarship for Science (2021–2026)
- Best Poster, Student Bioscience Conference (2025)

SKILLS & INTERESTS

Laboratory: Molecular cloning, PCR, SDS-PAGE, fermentation, HPLC

Computational: R, Python (Biopython), PyMOL

Languages: English, Marathi, Hindi

Interests: Science writing, classical dance
